

What Administrators Need to Know About Special Education

The workshop provides a focused, practical overview for building and district administrators to support the achievement of all children and ensure legally compliant and defensible practices. Content topics include the following:

- Administrator and Teacher Accountability
- Leading IEP Meetings
- Legally Compliant Procedures
- Preventing and Responding to Challenging Behaviors
- Discipline For Students with an IEP
- Placement Decisions
- Evaluating Special Education Teachers
- Implementing the IEP

AUDIENCE: Building Administrators and District Administrators

SESSION: 9am – 3pm (Local)

COST: Free! Workshops are open to all Indiana Educators.

LUNCH: Lunch is on your own.
